KG2 Weekly Newsletter – Week 8: 27th, November- 1st December 2016

We do a lot of fun filled yet, educational activities such as drawing, painting, coloring, storytelling and indoor / outdoor

Inquiring Cycle:

**How We organize
ourselves.**

(Sharing responsibility
helps us to stay safe and
organized)

Explanation:

By the end of the unit, the children will acquire the knowledge on how to stay organized every day, by building the facts that following certain rules will help us to get to know about students' roles at school and procedures that keep them safe. During the process of inquiry, they will be observed in getting mastery of certain skills of communication, social, and self-management, besides developing the attitudes appreciation, cooperation, and respect, and are ready to apply their learning in their lives connecting to broader ideas on how the rules are being followed in keeping the school to be organized.
